Proposed Phase-In Timeline for World Language Program Review and Graduation Requirement

- **2012-13**

Voluntary use of World Language Program Review

Professional development (PD) would begin for teachers and administrators (Training would focus on proficiency-based teaching and learning, performance assessment recorded through the LinguaFolio.)

- **2013-14**

Required use of the Program Review

College-bound graduating seniors would be required to meet the competency requirement.

All students will be required to address world language learning in their ILP.

All students will have access to LinguaFolio online to upload their formative assessment evidence (can-do goals, self-assessment, student work).

- **2014-15**

World language Program Review would be added as part of school accountability.

- **2014-15**

All seniors will be required to meet the Novice High proficiency level as a graduation requirement.
